

THE NEW SPACE ECONOMY

ALEXANDER BAHL

A keynote about the rise of commercial spaceflight, breakthrough innovations and the visionary minds shaping the future of humanity beyond Earth.

LET YOURSELF BE FASCINATED
BY THE EXPLORATION OF SPACE!

“ THE GREATEST INNOVATION STORY
OF OUR LIFETIME IS HAPPENING
IN SOUTH TEXAS.

What was Science-Fiction is today a rapidly growing industry, driven by companies like SpaceX and Rocket Lab.

From reusable rockets to Moon missions and the vision of Mars – the space economy is moving from the margins into the mainstream.

Discover the key players, technologies and opportunities that will define our future beyond Earth – and why space is the next big frontier for business and innovation.

WHAT'S BEHIND IT?

Commercial spaceflight:
a new economic engine

Technologies that change
everything: rockets, satellites,
AI & more

Back to the Moon –
and then on to Mars

Billion-dollar markets in space:
opportunities for companies
and investors

New Space pioneers:
the visionaries of our time

The future of humanity:
living and working in space?

Partnerships between
governments and private sector

ABOUT THE SPEAKER

Astronomy and space exploration are my passion.

I follow the development of the universe, current NASA missions and SpaceX's ambitious Starship project with fascination – every single day.

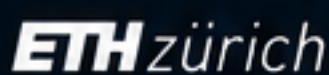

As a keynote speaker, I connect deep knowledge with compelling stories – to inspire, inform and open new perspectives.

READY FOR LIFT-OFF?

Book an inspiring keynote that will take your audience on a journey into the future.
